2025 Dues Collection

Dues collection has ended and I'm surprised at the number of members who are showing unpaid. What is illustrated is only the dues the club has received and there may be dues in transit with a December postmark. It can take up to 10 days for all mail to get delivered to the p.o. box. I had several members hand carry dues on new years eve. While it's not surprising, the number of members that showed up at my door-step were. Currently we have 11 unpaid showing. I expect those numbers to drop by at least half. Any dues that show up with a January postmark will be returned as the membership will have already been returned to the club. The same goes with checks with insufficient funds. Automatic return to the club. The bylaws are strict and bod is unsympathetic. Jack Killingsworth

Club Insurance

As you know, the club's insurance was canceled by our previous carrier on November 27th. A ten day extension was given to us (at a cost of course) to assist us while we searched for new coverage. Our agent found us a plan with another carrier but the 10 day extension ran out before we were able fulfill all the policy requirements from our new carrier to start coverage resulting in the locked gates. The new insurance company had several requirements for us to fulfill which included several schedules concerning buildings and equipment. There were also conditions from the insurance company that had to be negotiated and compromised on to the satisfaction of the board and the insurance company. Finally, one of the conditions the club could not negotiate will affect all of us (guests included) and that is the requirement of a waiver. This is a mandatory requirement in order for us to obtain coverage and without it we would have to keep the gates locked and continue the search for another insurance company who does not require waivers. It's my understanding that most clubs today have waivers so I don't think it's going to be a big deal. The board has started a draft copy but at this writing nothing has been finalized nor has the distribution and collection process been determined. Once everything has been worked out a general email will be sent as well as included in the Target newsletter. I will keep you posted on any developments.

Jack Killingsworth

CLASS OF 2025 DIRECTORS

Gary Killingsworth - I've been an Oil Capital member since 1996, during that time I served two terms on the Board of Directors and as the Target Editor for 6 years.

I've volunteered my efforts for many club projects such as the original "All Weather Building" the wall project, pistol bay expansion and many other events including the Independence Day fireworks raffle, new member orientation and I also served as the pop chairman for 4 years.

Our club is one of the best facilities in the state and I would appreciate the opportunity to serve again with focus on our members and their access to the club to enjoy with their family and guests. I have participated many events such as IDPA, Steel Challenge, Skeet and currently Military Bolt Action Rifle, .22 Rimfire Rifle, Cowboy Action and shotgun sports at our club. Please support me for a new board term.

Ian Zacher – Member since 2013. Experience: Range officer at sanctioned shooting competitions, organize

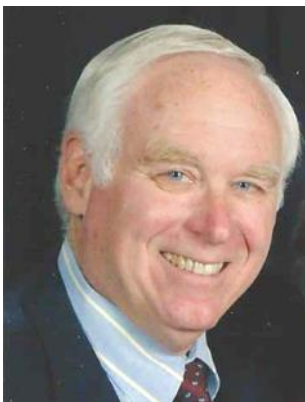

and facilitator of sectional and Area 4 USPSA matches, active participant in USPSA, IDPA, and Steel Challenge events at Oil Capitol. Passionate about the promotion and education of shooting sports. Enjoy casually shooting shotguns and rifles, as well as fishing.

Profession: Master Diagnostic Automotive Technician, working in the field for twenty years with team lead and training responsibilities for over 10 years.

If elected to the board, I will be committed to strengthening the club's financial stability while prioritizing improvements to our facilities. I believe in creating a more approachable and responsive board to foster open communication and active member engagement. My goal is to build on the

strong foundation of Oil Capitol, ensuring members see continued growth and benefit from their investment for years to come.

Larry Bahler - OC member since 1995

OC Board Member 2013-2024, Board Chair: 2013-15, 2019-24

OC Rep. to Green Country Friends of NRA Committee: 2009-22

Skeet at Oil Capital

In follow-up to last month's article, **Gary Kruse** and I attended the annual Board meeting of the Oklahoma Skeet Shooting Association in Stroud, December 14. **Daryl Cline** served as our host and helped us to submit our formal request to conduct a registered shoot at Oil Capital:

a 4-gun shoot over 2 days, May 3 & 4, 2025.

While we were at the meeting, **Glen Fowler**, our Youth Liaison, and the **Scouts of Troop 935** cleaned all the broken targets from the skeet buildings.

And since we've not had much skeet activity over the past several years, we will be tuning the skeet traps over the next few months. We'll ask our skeet shooters to "proof" the machines as we progress in this effort.

A request ...

We try to provide trash containers in convenient locations at each of our ranges. We realize on some ranges it's a long way down to the target line, but you made hike to mount your targets, please go down one more time and remove your spent targets from the backers and dispose of them in the containers. Please leave our ranges clean for the next member.

The Main Club House

You ought to join us at the monthly dinners, the 3rd Monday of each month. **Jack Ostendorf** and his crew of sous-chefs and dish washers too, welcome you to the festivities. Following our Christmas Dinner, December 16, we began preparations for some much needed repairs.

Next time you are in the Main Club House you'll be surprised how bright and clean it looks. Members **Brad** and **Penny Cheffee** have spent hours on hours cleaning walls and painting. And after careful evaluation of the floors on which the tiles were curling, we have opted to install a full floor coating throughout the building.

Ducks and Geese and ...

As preparations were being made and items in the way removed from the walls, etc., the wildlife mounts which have been hanging for many, many years were discovered to be in really bad condition. It was decided to not replace the taxidermy. After offering them to several members to no avail, we contacted the *Oklahoma Department of Wildlife Conservation*. They picked them up within 48 hours.

OC Honorary Member, Shawn Gee who works with the ODWC Education Division, advised that he already has a home for

the entire collection at the Skiatook and Choteau schools.

Board Election

We welcome two newly elected Board members, **Ian Zachary** and **Gary Killingsworth**. I will be serving as the third member of the class of '27. We will be commissioned at the January 13, BoD meeting.

Interestingly, the ballot listed the most candidates that we have had in probably 15+ years. Yet less than 26% of our membership participated.

Not sure if it's electronic voting vs. paper ballots? Time of the year? At least our elections are predicated on the number of ballots cast, not a % of the membership.

With that, we do expect some questions to be put to the membership in the near future, and some will involve \$\$ money. Please, please, please try to vote.

BUILDING CLEANING CONSIDERATIONS

Our building cleaning contractor is striving to upgrade their performance. Yes, they do windows and dust/wipe surfaces as well as tend to cobwebs. We need to do our part to keep furniture from blocking these so they can do their job. Likewise we need to keep objects from the top of refrigerators as well as limiting clutter.

APPROVED GUNS FOR TEACHERS

POLICY CONCERNING MEMBER OWNED MEMBERSHIP SALES

The club issued gate proximity card belongs to the club and must be returned upon the sale or transfer of your membership. The board of directors revised the policy on transfer fees to include the replacement of non-returned gate proximity cards.

The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearinghouse along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.
