Ballot to Raise Membership to 900

Not to belabor this issue, but I'm certainly disappointed that this initiative was not approved by the membership. But the results are what they are, and we move on, however, with fewer options for potential capital improvements than hoped for.

My real curiosity considering the outcome of this vote is the unexpected low voter response of only 20% of the club membership.

- Was the notice of an election not adequately promoted? I felt it was reasonably explained in this column for the 3 months prior.
- Were you expecting a hard-copy ballot mailed to your home? Please understand that we will not revert back to mailout ballots for any future vote. We save several thousand \$\$ annually by going to on-line voting.
- Is it because you do not personally use email? Interestingly still appx. 10% of our members have not created an account to log onto the website. And those can't vote.
- Were any of the 60+ individuals currently on the waiting list sponsored by you? I would have expected every member sponsoring a friend to be interested enough to cast a ballot.

But what really has me totally confused was the final tally of only 77 "yea" (46%) vs. 90 "no" (54%). As you will recall a bylaw change requires a 2/3 majority of those casting a ballot.

- In December 2013 a proposal to increase membership cap from 800 to 900 failed by just 6 votes, with 64.23% "yea".
- In August 2015 we voted to increase the membership to 825 with 73.4% affirmative.
- In May 2021 a 900 cap was proposed which failed by 8 votes, 196 "yes" vs. 111 "no".
Wow, over 300 members voted on this question!

Obviously we struggled to meet the 2/3 majority in the quest for 900, but at least the results kept trending with positive support of the question.

So, I was really surprised on the turnaround that the "yes" votes became the minority for this ballot. I wonder what had changed for the swing to be this great?

If you would be willing to share your thoughts, please drop me an email or give me a call at the point of contacts listed on page 2 of your TARGET. If you wish to remain anonymous you could jot a note, place it in an envelope and drop it in one of the cash boxes located in the R&P or Shotgun buildings, or Main Club House. I would really like to understand.

Money, Money, Money

Those of you who attended the November Club meeting, you may recall the following on a slide.

Oil Capital is a 501c7 organization = "Social Club"

- The club must provide an opportunity for personal contact among members and membership must be limited.
- The club must be supported by membership fees, dues, and assessments.
- The club may receive de minimis income from non-traditional sources.

As we closed out our 2023 fiscal year, it has become apparent that our dues process is falling short of meeting the "Operating Expenses" of the Club. As such the Board will be reevaluating our income streams and the subsequent allocation of our funds. Also, I would expect to see a dues increase for 2025.

BUILDING CLEANING CONSIDERATIONS

Our building cleaning contractor is striving to upgrade their performance. Yes, they do windows and dust/wipe surfaces as well as tend to cobwebs. We need to do our part to keep furniture from blocking these so they can do their job. Likewise we need to keep objects from the top of refrigerators as well as limiting clutter.

POLICY CONCERNING MEMBER OWNED MEMBERSHIP SALES

The club issued gate proximity card belongs to the club and must be returned upon the sale or transfer of your membership. The board of directors revised the policy on transfer fees to include the replacement of non-returned gate proximity cards.

The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearinghouse along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.

2024 RAFFLE IDEAS & DONATIONS

It's time to start thinking about the upcoming 2024 fireworks display fund raiser raffle. I will be kicking off the raffle in March. I haven't purchased the prizes yet and would like some ideas. Last years raffle was the largest in club history and was a huge success. We will continue the single ticket multiple winner format as every ticket has multiple chances to win. I need ideas from you guys so the prize choice will be what you want rather than what I think. I could also use some volunteers to help with the fund raising as it is a lot of work. Send your ideas or desire to help Jack Killingsworth – memberservices@ocrgc.com

Volunteers Needed

The Club can always use extra help on projects. If you have special skills or equipment that would be helpful let us know what you can provide and what skills you have. We operate on mostly volunteer labor and we mostly never turn down extra or needed help. Contact memberservices@ocrgc.com and you will be added to the list of persons to call.

Dinner Meetings

Dinner meetings are held on the 3rd Monday of each month. We meet at the Main Clubhouse at 7 PM to enjoy the night's meal and each other's company. Members and guests are welcome at the meeting. At the meal's conclusion, current Club events are shared. Current meal price is \$8; please bring exact change.

INDOOR AIR GUN

We have about 12 to 18 shooters each Thursday evening. The targets are NRA air gun-sized metal silhouettes made to be shot outdoors, at up to 45 yards. We shoot them indoors at 11 yards. Practice is from 4 PM until 6 PM. We shoot pistols first and then rifles, going home by 8 PM. Most people will let you try their air guns, so you can see what it's like to shoot a modern air gun.

COWBOY ACTION SHOOTING

Tator Hill Regulators shoot two times (most months). 3rd Sunday, we shoot regular Cowboy SASS rules, lead bullets only. You'll need 2 revolvers a lever or pump action rifle in pistol caliber and a shotgun, SxS or pump.

In months where we have a 5th Sunday we shoot rimfire .22. Rifles must be lever or pump action. Pistols can be any semi auto or revolver. If shooting a semi auto bring 2—3 magazines and if your shooting a revolver bring 2 of 'em. Shotguns can be side by side, pump action or auto loader, 20,16 or 12 ga. Shells must be lead 7 1/2, 8 or 9 shot.

You won't need holsters for the rimfire shoots, all the guns can be staged or holster optional.

Restrictions: NO OPTICS—NO TACTICAL These matches are great for beginners or those who want to shoot friendly competition without any pressure. Our goal is to have fun and enjoy shooting with some really nice folks.

SAFETY IS "EVERYBODY'S BUSINESS" AND YOUR #1 JOB AT OIL CAPITAL

Please use your head at all times. Follow the range rules. Be aware of what goes on around you. Stay focused on Safety.

Members are necessarily held to a high standard of safety; firearms use demands this. Failure to follow the range rules and good common sense use of firearms can result in the loss of your membership. The Club Has taken possession of individual's memberships in the past, when serious situations warranted this action.

Please be safe while enjoying your club. Assist other members to be fully safety conscious.
