Do You Remember When – 1982

In 1982, the Oil Capitol Rod & Gun Club Inc. was making efforts to honor past presidents. Art McCollough appeared at the June 6, 1982, Dinner Meeting and related that he was the Club's first President and was part of the organizing group. He related "the Club formed in June 1942 as the Douglas Gun Club. At that time there were 500 to 600 members active in rifle, pistol, skeet, trap and fishing activities. The Club died out after the War but reorganized in 1952. The Club was supported by the Douglas Employee's Organization with money coming from concessions at Douglas (Douglas was Douglas Aircraft Company operating in Tulsa, Oklahoma.) He indicated that when the Spunky Creek location was purchased it was "way out in the sticks." The Spunky Creek facility was located at 21100 East Pine Street in Catoosa, Oklahoma. According to an "Information Letter", the Douglas Rod and Gun Club re-established in 1952 under the name of Oil Capitol Rod & Gun Club Inc. The Club presently operates as an Internal Revenue Code 501(c)(7) non-profit sportsman's organization dedicated to fellowship as well as shooting sports, archery, fishing, and hunting.

BUILDING CLEANING CONSIDERATIONS

Our building cleaning contractor is striving to upgrade their performance. Yes, they do windows and dust/wipe surfaces as well as tend to cobwebs. We need to do our part to keep furniture from blocking these so they can do their job. Likewise we need to keep objects from the top of refrigerators as well as limiting clutter.

POLICY CONCERNING MEMBER OWNED MEMBERSHIP SALES

The club issued gate proximity card belongs to the club and must be returned upon the sale or transfer of your membership. The board of directors revised the policy on transfer fees to include the replacement of non-returned gate proximity cards.

The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearinghouse along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.

Members are necessarily held to a high standard of safety; firearms use demands this. Failure to follow the range rules and good common sense use of firearms can result in the loss of your membership. The Club Has taken possession of individual's memberships in the past, when serious situations warranted this action.

Please be safe while enjoying your club. Assist other members to be fully safety conscious.
