Obituary for Jerome "Jick" Holden

Sadly, Oil Capital lost one of it's own on March 5th, 2024. Jerome Holden long time club member and friend. Jerome is probably best known for providing the club with the 5 stand sporting clays venue on the west end of the skeet and trap complex. Jerome ran 5 stand for many years and gave our members another source of enjoyment on the shotgun end of the club. Through the years Jerome taught many shooters how to shoot skeet on a one on one basis, and was always helpful to others when asked about anything skeet or shotguns. Jerome will be missed by all that knew him. - Ed

Obit:

Jerome Rae Holden "Jick", age 83, passed March 5, 2024 in Broken Arrow, Oklahoma.

Jerome was the son of Johnson Rae and Lora Mae (Turner) Holden. He was born in Dodge City, Kansas on August 27, 1940.

Raised on a farm north of Cimarron, Kansas, he graduated from Cimarron High School in 1958. He attended Dodge City Jr. College where he met Peggy Lee Schilling. Jerome and Peggy later married in 1960 and moved to Wichita, Kansas. He attended the University of Wichita for one year before getting a job in the printing business where he spent the next 35 years.

Jerome's hobbies included hunting, fishing, dirt bike racing and shooting trap, skeet and sporting clays. He was a NSCA level 3 instructor. Sporting Clays was his favorite sport and he enjoyed it until he could no longer do it.

He had a passion to do the best he could in everything he did.

Jerome is survived by his wife, Peggy Holden; son, Harvey Holden; sister, Jacqueline Holland; brother, James and Judy Holden; best friends, Jerry Bassett and Larry Sissell.

DINNER MEETING RSVP CHANGE

In an effort to better plan food quantity for those who make the Oil Capital dinner meeting, we will institute a voluntary RSVP program. If you think you are coming to a given dinner, respond with your name (and number in your party) to jack38@windstream.net by NO LATER than the Sunday at 7 PM prior to the dinner on Monday (7 PM). That timely 24 hr minimum response puts you in the First Table line. Those not on the First Table list automatically go to the Second Table list and the back of the line. A complete plate of food is NOT promised for those on the Second Table list. Some entrées must be sourced more than 24 hrs out; the same entrée cannot be promised, if more must be sourced on short timing. We are hopeful this RSVP program will make dinner food planning simpler.

Jack Ostendorf.....Dinner Chairman

Dinner Meetings

Dinner meetings are held on the 3rd Monday of each month. We meet at the Main Clubhouse at 7 PM to enjoy the night's meal and each other's company. Members and guests are welcome at the meeting. At the meal's conclusion, current Club events are shared. Current meal price is \$8; please bring exact change.

Request for volunteer plumbing coordinator

Oil Capital Rod and Gun Club is seeking a highly motivated and retired volunteer to coordinate emergency plumbing repairs throughout the club site. This individual would work closely with the Board of Directors to ensure continuous plumbing services for the members. This would include responding to emergency water line breaks and coordinating plumbing services for repairs. If you are interested, please contact any board member to volunteer.

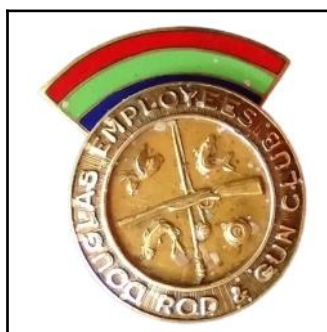

Do you remember when?
History of Oil Capital Rod and Gun Club
The Early Years

Few official records remain of the formative years of the Oil Capital Rod and Gun Club (the "Club"). By the completion of this project there will be several interviews conducted with members or former members which should shed more light on our distant past. The earliest minutes retained on site begin in 1958, however, there are several clues to our beginnings prior to that date. During the October 1961 Regular (Member) Meeting, President Ken Maltby opined on the changing nature of the Club as the Club was taking on more and more members that were not employed by Douglas Aircraft Company. He indicated "the Club's predecessor, Douglas Tulsa Rod and Gun Club had formed in the Spring of 1952."

In 1982, the Club was making efforts to honor past presidents. Art McCollough appeared at the June 6, 1982, Dinner Meeting and related that "he was the Club's first President and was part of the organizing group." He related "the Club formed in June 1942 as the Douglas Gun Club. At that time there were 500 to 600 members active in rifle, pistol, skeet, trap and fishing activities. The Club died out after the War but reorganized in 1952. The Club was supported by the Douglas Employee's Organization with money coming from concessions at Douglas." (Douglas was Douglas Aircraft Company operating in Tulsa, Oklahoma.) According to an "Information Letter" (undated and located in the 1986 minutes file), the Douglas Rod and Gun Club re-established in 1952 under the name of Oil Capitol Rod & Gun Club Inc.

It is therefore documented that the Club was formerly known as the Douglas Rod and Gun Club and membership was initially comprised of employees of the Douglas Aircraft Company. According to Wikipedia's internet site: "The Douglas Aircraft Company was an American aerospace and defense company based in Southern California. Founded in 1921 by Donald Wills Douglas Sr., it merged with McDonnell Aircraft in 1967 to form McDonnell Douglas, where it operated as a division. McDonnell Douglas merged with Boeing in 1997." According to the Oklahoma Historical Society internet site: "The U.S. War Department agreed to build a plant in Tulsa..." On May 2, 1941, ground-breaking took place for the facility... and owner of the Douglas Aircraft Company dedicated the [Tulsa] plant on August 15, 1942." The plant was huge and manufactured many bombers for the War Department. It was located near the Tulsa International Airport.

Knowing that, let's see what we can glean from the first official minutes located thus far. By this time, 1958, the Club owned a bus that they would park at the Douglas Aircraft parking lot. Members would take this on hunting trips, fishing trips and to sports events. The Club was presided over by a president and voting was done in person at member meetings. Meetings were held at different locations as there was no "clubhouse." The Club did operate a permanent tent for some activities. Let us examine a year in detail to get a feel for the Club's activities and habits.

Oil Capital Member Donations Help Make Christmas Special

Christmas Basket donations from Oil Capital Members resulted in 65 families receiving \$65 Reasor's Foods gift cards.

OCRGC Director Bob Williams said three cards were distributed to families chosen by Oil Capital members. The other 62 were selected by the Coweta Chapter of the Disabled America Veterans.

Reasor's gave the club a discount on the gift cards which enabled more cards to be purchased.

The small note shown here was attached to the cards when the DAV distributed them.

For many years we purchased food and organized a date to stock giveaway tubs with everything needed for a good Christmas family dinner. As a result of the pandemic, we started giving away gift cards instead. The feed back on the cards has been very positive and we plan to continue using the cards

OCRGC is proud to help some of our member families and needy veterans and their families..

While most of the donations come to the club as part of the dues process, we welcome donations for this worthy cause at any time, Any donations marked for the program that are dropped into any of the club drop boxes will be included with the donations from dues payments

Thank-you for you participation. Gary Kruse 2024 Treasurer

Happy Holidays!

It is with great please that we are able to help our neighbors in need during this holiday season. Please accept this Reasor's gift card to help make your Christmas a little more "merry and bright" as you gather for your holiday celebration.

May God continue to Bless you and Light your way when at times it seems a little dark....from your friends at Oil Capital Rod & Gun Club in cooperation with Reasor's Foods – Broken Arrow

Main Club Entrance

ARK Wrecking provided the Club one-day service to demolish and remove the unsightly mobile home from our front gate.

Our new "ranger" will be moving on site soon.

☒ Your VOTE is Important !

Over the next several months Club members will be asked to consider several important issues dealing with Bylaws and Financial matters. Of course, the Bylaws questions will require a 2/3 majority vote to pass.

Please understand that a "Poll" is not a vote for action unless indicated otherwise and is most usually answered only by members who are directly involved with the subject at hand. Whereas a "Ballot Vote" will be reserved for Club-wide matters such as spending \$\$, major site improvements, election of officers, and of course, Bylaws to name a few.

Most importantly though, we need your participation in these Club decisions. I am sad to report that for the last two ballot issues: election of Directors and membership increase, that 80+% of our membership DID NOT participate. You can catch the Minutes of the monthly business meetings posted on the website to see the numbers.

Speaking of a VOTE ...

Our Policy & Bylaws Committee has several issues being drafted for your consideration. One that is important deals with the established spending limit for the Board. Currently this is set by the bylaws at \$20,000 above which requires a vote of the membership.

Specifically, in this past year our annual insurance bill and the cost of a truckload of clay targets both have reached or exceeded our spending limit. Two loads of target, purchased in November and December were somewhat above the limit. In order to stay within our guidelines, an arrangement was made with the Boy Scouts to purchase several pallets for their shotgun venue at the Jack Graves Sporting Clays Complex located on Zink Ranch.

You will see in the next several months this issue, along with several others, will be submitted for your consideration. We will be asking to increase the Board's spending limit. However, please note this increased limit will ONLY be for ongoing, repeat operating expenses. The Board's limit for PROJECT items will remain at \$20k.

When you receive your email notification that a ballot has been posted, please, please, please go onto the Club website and VOTE.

ADVERTISERS

YOUR RENEWALS ARE DUE NOW. PLEASE SEND NEW ART WORK OF YOUR HIGH RESOLUTION CAMERA READY BUSINESS CARD SIZED AD EITHER IN VERTICAL OR HORIZONTAL FORMAT.

Not using the club anymore? Need some extra cash? Perhaps you would like to sell or transfer your membership. Contact member services for information. The club maintains a waiting list of potential buyers. If you are interested in selling or transferring your membership email memberservices@ocrgc.com

BUILDING CLEANING CONSIDERATIONS

Our building cleaning contractor is striving to upgrade their performance. Yes, they do windows and dust/wipe surfaces as well as tend to cobwebs. We need to do our part to keep furniture from blocking these so they can do their job. Likewise we need to keep objects from the top of refrigerators as well as limiting clutter.

POLICY CONCERNING MEMBER OWNED MEMBERSHIP SALES

The club issued gate proximity card belongs to the club and must be returned upon the sale or transfer of your membership. The board of directors revised the policy on transfer fees to include the replacement of non-returned gate proximity cards.

The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearinghouse along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.

Board of Directors

Volunteers Needed

The Club can always use extra help on projects. If you have special skills or equipment that would be helpful, let us know what you can provide and what skills you have. We operate on mostly volunteer labor and we mostly never turn down extra or needed help. Contact memberservices and you will be added to the list of persons to call. memberservices@ocrgc.com

2024 RAFFLE IDEAS & DONATIONS

It's time to start thinking about the upcoming 2024 fireworks display fund raiser raffle. I will be kicking off the raffle in March. I haven't purchased the prizes yet and would like some ideas. Last years raffle was the largest in club history and was a huge success. We will continue the single ticket multiple winner format as every ticket has multiple chances to win. I need ideas from you guys so the prize choice will be what you want rather than what I think. I could also use some volunteers to help with the fund raising as it is a lot of work. Send your ideas or desire to help Jack Killingsworth – memberservices@ocrgc.com

INDOOR AIR GUN

We have about 12 to 18 shooters each Thursday evening. The targets are NRA air gun-sized metal silhouettes made to be shot outdoors, at up to 45 yards. We shoot them indoors at 11 yards. Practice is from 4 PM until 6 PM. We shoot pistols first and then rifles, going home by 8 PM. Most people will let you try their air guns, so you can see what it's like to shoot a modern air gun.

COWBOY ACTION SHOOTING

Tator Hill Regulators shoot two times (most months). 3rd Sunday, we shoot regular Cowboy SASS rules, lead bullets only. You'll need 2 revolvers a lever or pump action rifle in pistol caliber and a shotgun, SxS or pump.

In months where we have a 5th Sunday we shoot rimfire .22. Rifles must be lever or pump action. Pistols can be any semi auto or revolver. If shooting a semi auto bring 2—3 magazines and if your shooting a revolver bring 2 of 'em. Shotguns can be side by side, pump action or auto loader, 20,16 or 12 ga. Shells must be lead 7 1/2, 8 or 9 shot.

You won't need holsters for the rimfire shoots, all the guns can be staged or holster optional.

Restrictions: NO OPTICS—NO TACTICAL These matches are great for beginners or those who want to shoot friendly competition without any pressure. Our goal is to have fun and enjoy shooting with some really nice folks.
