BYLAW CHANGE AND EXPENDITURE APPROVAL

Item 1 - Proposed by the Board of Directors

Approve \$50K for proposed project by Member Approval - passes by simple majority

Roads, Culverts, and Ditches. Our club site roads are in sad shape. They need of major work to return them to proper condition. The scope of this project is to re-establish and clean out all the ditches, repair or replace failing culverts and resurface the roads over the entire club site. The contractor will supply the equipment and operators and be paid an hourly rate. Oil Capital will supply materials, so there will not be any contractor markup on these. The Building Committee has contractors selected for the work involved. The board is asking the membership to approve the expenditure not to exceed \$50k to complete this much needed work.

Item 2 - Proposed by the Board of Directors

The Board of Directors is requesting the following change to the By-Laws. The change must pass by 2/3rds vote.

Article IV: Membership Fees and Dues

Section 3. Annual Dues

(b) Annual dues are **\$125** for Regular Members

Change to read ...

(b) Annual dues are **\$150** for Regular Members

FAQ and comments:

["Why do we need to raise annual dues?"](#)

With ongoing increases in utility, insurance, maintenance, and other fixed costs, we have been depending on income from club activities to cover our operating expenses. With a year of the pandemic, plus facing another year plus of limited ammunition, we find ourselves reaching to savings in 2021.

As a 501c7 "social organization", we are limited to 15% of our operating expenses received from non-members. We have not been able to meet this standard for over 5 years. This not only creates a tax liability, but also puts our tax status in jeopardy.

Balloting begins Thursday June 17th and ends July 12th at 7pm.

Vote will be by electronic balloting and can be accessed on the clubs website under the BYLAW VOTE menu tab at www.ocrgc.com. You will be directed to the ballot. If you have not signed up for web access to
