Do you remember when?

The oldest minutes discovered on site thus far are from 1958 when the Club was known as the Douglas Rod and Gun Club with an address of 2000 North Memorial Drive in Tulsa, Oklahoma. The Club's "Conservation Pledge" stated "I give my pledge as an American to save and faithfully to defend from waste the natural resources of my country – its soil and minerals, its forests, waters and wildlife." Over 30 members were in attendance for the Club meetings which were noted to be held at the Spartan Cafeteria. The meetings would close with a raffle, refreshments and a movie. The Club owned a bus and a tent with electrical service. No mention was made of the tent's fixed location during this year's minutes, however, there was mention of one picnic and one "stag party" being held at the location during the year. The Club had duck blinds at Fort Gibson Lake and a pond in Porter, Oklahoma. By the end of the year, it was reported that 75 ducks were taken from the pond in Porter. The Club was not yet incorporated, and they mentioned the reluctance of some to join the Club for this reason. Therefore, under the leadership of President Gerry Smead, the Club set forth a draft charter on October 7, 1958. The membership voted that "the present officers were elected as trustees for incorporation purposes." In November the membership voted to purchase another bus in exchange for their current bus and \$600. At the end of the year, the membership voted to take down the tent for placement elsewhere or to be sold. Trophies were given throughout the year for hunting and fishing activities to include fishing for trout, black bass, catfish and crappie as well as hunting for squirrel, dove, deer, quail and duck. Several Club sponsored fishing trips were taken in the bus to destinations including Tenkiller Lake, Fort Gibson Lake, Bull Shoals, Spavinaw and White River. The May 6, 1958, Treasurer's report reflects \$235 in Club assets. We have come a long way as a Club since those days, but I sure woulda liked to have been at that "stag party" at the tent.

4th of July Raffle Results

The 2023 raffle turned out to be a huge success. I was getting rather nervous that we wouldn't make all of our obligations. I was wrong. While raffle ticket sales were slow to start, things picked up rather nicely in the last 3 weeks. One of the things I think that helped was placing tickets in the main clubhouse. The scouts did a great job again this year collecting \$1457.99. We sold out of hotdogs and snowcones turned in a nice profit.

How we did:

First half of fireworks contract from dues donations	(\$3750.00)
2nd half donations from dues, mail in and collections:	\$2378.15
Food and snow cones after expenses:	\$196.25
Raffle after expenses:	\$6046.21
Porta Johns:	(\$281.83)
Total:	\$8338.78
2nd Half Fireworks payment:	(\$3750.00)
Carryover for 2024	\$4588.78

More good news: As many of you noticed there was a delay in the fireworks show that caused several minutes between shots. The fireworks contractor attended the July business meeting to offer his apologies and to make up for the delay by adding an additional \$1000 worth of shells for next years show at no cost to the club!

Finally a big THANK YOU to all that donated raffle prizes to make this years raffle that biggest and the best in our history!

The Chairman's Corner

Please give a Youth a chance to learn Firearm Safety and Responsibility

You may recall the scene from A Christmas Story, of the reaction by Ralphie's mother when he told her that he wanted a Daisy Red Ryder BB gun for Christmas: "You'll Shoot Your Eye Out."

I just returned from the 2023 National Scout Jamboree held at the Summit Bechtel Reserve, Glen Jean, WV, where I had the responsibility to serve as the Shotgun Coordinator. In seven days of program, we logged over 5,600 shotgun experiences, shooting over 104,000 shotshells on three disciplines: 4- Five Stand decks, 8-Trap decks (throwing straight-away presentations), and 6-Sporting Clays fields. A volunteer cadre of 40 NRA Shotgun Instructors and RSO's, from 31 states, supervised the shotgun events with NO firearm related injuries!

I believe Oil Capital needs to become a leader in promoting youth shooting sports in our area. I wonder what we can do as a club?

Need a Battery?

With the installation of the wireless controls on the shotgun fields, you might have experienced a low battery in the transmitter ... that's the black box with the red buttons. Well, fret no more, just look on the wall behind the east door of the Trap Palace where you will find a supply of 9v Batteries. Please properly dispose of the old batteries.

25yd Repair

If you've recently been down to the 25yd ranges, you will have noticed a stock of Plywood, and 2x6 lumber being staged for the replacement of the wall between 25-1 and 25-2. You'll see elsewhere in this month's Target and in the Bulletin section of the Oil Capital website a request for volunteers for this important project. C'mon gang, please give us a hand.

2024 DUES COLLECTION

The 2024 dues notices will go out in a couple of weeks. You should see it in your mailbox the last week of August. If you have any changes to your contact information please send to memberservices before August 18th to insure your dues notice is mailed to the correct address. Dues did not increase and are still \$150 for the regular dues collection period. From November 1st through the end of the year a \$75 penalty will be added bringing the total to \$225. My advise to members is to pay our dues as soon as you receive your notice and don't wait until December to have that "Oh dang I forgot" moment. If you forgot the address to the club it is printed on the front of your membership card as well as the email address to member services and the clubs website. Failure to receive your dues notice by first class mail does not excuse you from paying your dues on time. If you don't receive your dues notice by the 2nd week of September, contact member services or download a blank replacement from the clubs website www.ocrgc.com.

DINNER MEETINGS

Dinner Meetings are 3rd Monday of each month, 7 PM at the MCH 101st gate will be open at 6:30 PM. Menu is announced in the Event BCC Email sent to interested members. If you'd like to be on that list please send email to jack38@windstream.net

Dinners are a great opportunity to meet other members and catch up on happenings at your Club.

If you'd like to be the guest chef for a future dinner, please contact Jack Ostendorf 918-259-9601 or jack38@windstream.net

POLICY CONCERNING MEMBER OWNED MEMBERSHIP SALES

The club issued gate proximity card belongs to the club and must be returned upon the sale or transfer of your membership. The board of directors revised the policy on transfer fees to include the replacement of non-returned gate proximity cards.

The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearing-house along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.

INDOOR AIR GUN

We have about 12 to 18 shooters each Thursday evening. The targets are NRA air gun-sized metal silhouettes made to be shot outdoors, at up to 45 yards. We shoot them indoors at 11 yards. Practice is from 4 PM until 6 PM. We shoot pistols first and then rifles, going home by 8 PM. Most people will let you try their air guns, so you can see what it's like to shoot a modern air gun.

COWBOY ACTION SHOOTING

Tator Hill Regulators shoot two times (most months). 3rd Sunday, we shoot regular Cowboy SASS rules, lead bullets only. You'll need 2 revolvers a lever or pump action rifle in pistol caliber and a shotgun, SxS or pump.

In months where we have a 5th Sunday we shoot rimfire .22. Rifles must be lever or pump action. Pistols can be any semi auto or revolver. If shooting a semi auto bring 2—3 magazines and if your shooting a revolver bring 2 of 'em. Shotguns can be side by side, pump action or auto loader, 20,16 or 12 ga. Shells must be lead 7 1/2, 8 or 9 shot.

You won't need holsters for the rimfire shoots, all the guns can be staged or holster optional.

Restrictions: NO OPTICS—NO TACTICAL These matches are great for beginners or those who want to shoot friendly competition without any pressure. Our goal is to have fun and enjoy shooting with some really nice folks.
