OIL CAPITAL DINNER MEETING

The Dinner Meeting at Oil Capital occurs monthly on the 3rd Monday, at 7 PM in the Main Clubhouse. Come out for fine fare, fellowship and catch up on latest goings on at Oil Capital. Menu is announced in the email sent to those on the dinner list. Get on that BCC email list by sending your name and email to the dinner chair at jack38@windstream.net. Dinner is \$10; exact change appreciated.

We have a voluntary RSVP program for each dinner. If you think you are coming to a given dinner, respond to the dinner chair by email only with your name (and number in your party) by no later than the Sunday at 4 PM prior to the dinner. That timely 24 hr. minimum response puts you in the First Call to join the serving line. Those not on the First Call list automatically go to the Second Call list to join the line, who may not receive a full plate or the same menu items. They will be called just a few minutes later. Those that bring a desert are much appreciated; not required but certainly enjoyed by all!

More on \$\$

I'm sure you are probably getting totally tired of my continuing to express my concern regarding our annual dues process and the amount that we are currently collecting. So please bear with me once again.

You will recall some of the data that has been previously published in this article, especially the fact that our Annual Dues are not adequate to cover our Budgeted Operating Expenses. Recently I was questioned by a member who asked "Doesn't profit from all the activities every weekend on all our ranges cover the rest of the Operating Expenses?"

Quite frankly, I thot that member brought up a great point. We pulled records back to 2017, the year we increased our membership to 825 members.

From the exhibit below, our Net Activity Income generates only about 50% of the amount needed to offset the dues shortage.

I continue to support a new dues process whereby the annual budget will be established before the dues amount is published, and the dues amount may be set by a formula of :

$$\text{Dues \$\$} = \text{Budget Operating Expenses \$\$} / \# \text{ Club Members}$$

This will also allow the club to generate funding for unanticipated maintenance and Capital Improvements. Remember, currently the only other source of funds for these items is Investment proceeds and Initiation fees from new memberships sold by the Club.

BE A GOOD STEWARD OF OUR CLUB.

We've had many complaints from members stating when they come out to shoot, the first thing they have to do is tear down shot up targets from the target frames on the pistol ranges, the 50 yard and the 100/200 yard range. Pistol L/R sometimes has barrels scattered or target stands strewn.

It's aggravating and we've all experienced it.

When we have Club sponsored events it is the Event Chairman's responsibility to ensure all of the barrels, props and target stands be put away after the match is completed and the target frames and backer boards on the ranges used are ready for our Members use.

The AWSB complaints are that "some" Members shoot and don't police their brass and sometimes leave the windows open after a shooting session and too many times the HVAC is left running.

The club provides brooms and dust pans on almost all of our ranges to take care of brass.

Complaints related to the shotgun fields is with some Members running all the clay targets out of the machines and not re-filling them for the next guy and some Members not paying for all of their rounds.

This club belongs to "ALL" of us and we hope everyone will treat it care and respect. When you visit the range please remember to pull your targets and try to leave the range better than you found it.

BUILDING CLEANING CONSIDERATIONS

Our building cleaning contractor is striving to upgrade their performance. Yes, they do windows and dust/wipe surfaces as well as tend to cobwebs. We need to do our part to keep furniture from blocking these so they can do their job. Likewise we need to keep objects from the top of refrigerators as well as limiting clutter.

POLICY CONCERNING MEMBER OWNED MEMBERSHIP SALES

The club issued gate proximity card belongs to the club and must be returned upon the sale or transfer of your membership. The board of directors revised the policy on transfer fees to include the replacement of non-returned gate proximity cards.

The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearinghouse along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.

Volunteers Needed

The Club can always use extra help on projects. If you have special skills or equipment that would be helpful, let us know what you can provide and what skills you have. We operate on mostly volunteer labor and we mostly never turn down extra or needed help. Contact memberservices and you will be added to the list of persons to call. memberservices@ocrgc.com

B.O.D.

History has proven the Club can realize a substantial profit with the 5-Stand program. No matter your preferred shooting discipline, your participation is desperately needed to make this a reality. Please, please HELP !

Help us bring **5-Stand** back to Oil Capital

We continue to seek donor/sponsors to raise **\$24,000** to launch the first phase of an all-new 5-Stand venue located east of field six, with eight Atlas AT200 Commercial Traps and LongRange wireless control.

The venue would always be available for casual shooters utilizing the hand-held transmitter.

Weekly or monthly organized activities will be scheduled should interest support.

Est Cost \$/round:

\$6.00 Member -- \$8.00 Guest

*In the 10 years 5-Stand was hosted by **Jerome Holden**, the club averaged \$6,000+ profit per year.*

Please know: "5-Stand can be habit forming !"

The first phase will fund the eight machines, carts, magazine covers, wireless control, shooting stands, batteries, solar panels, gravel, and signage.

Should interest prove out, phase 2 will provide a permanent concrete pad and canopy at the shooting stations.

Yes, this is indeed a fund-raising effort, however our window is limited. Our response thus far has been somewhat discouraging. The Board suggested I revise the campaign date to allow members to respond. **So our goal to reach the needed \$24,000 is now August 31.** If the campaign is successful, we should be shooting in approximately 30 days.

BREAKING NEWS !!!! Would you believe ...

An anonymous donor has pledged a \$10,000 Challenge Grant, contingent on the club raising a minimum of \$14,000.

Hmmm, \$14,000? That's only \$16.97 per member, but only if everyone participates. C'mon, even if you are not an avid Shotgunner, give it a try. You might get hooked! Or how 'bout when you bring your kids or a guest to the club. 5-Stand is an easy venue to open and I guarantee you'll have some fun!

Should we not reach this goal by the stated date we will reevaluate the project and your donation will be refunded in full.

Please identify your gift as "5-Stand" and remit to:

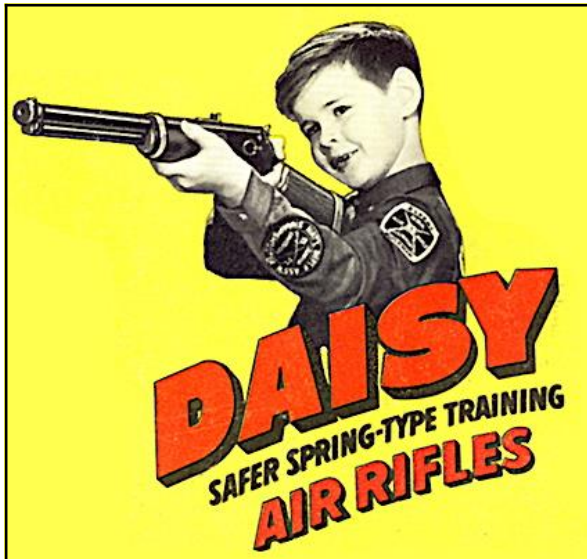

Oil Capital R&G Club
PO Box 140487
Broken Arrow, OK 74014

Or you may drop by the Club and place in any of the deposit boxes in the Main Club house, the R&P Building, or the Trap Palace

Thanks for your support,

INDOOR AIR GUN

We have about 12 to 18 shooters each Thursday evening. The targets are NRA air gun-sized metal silhouettes made to be shot outdoors, at up to 45 yards. We shoot them indoors at 11 yards. Practice is from 4 PM until 6 PM. We shoot pistols first and then rifles, going home by 8 PM. Most people will let you try their air guns, so you can see what it's like to shoot a modern air gun.

Do You Remember When? - 1974

In 1974, 22 hunting and fishing films were shown after meetings. The year began with a January 8th Regular Meeting which reflected \$8,100 in the bank. The Annual Gun Show was scheduled for February 23 and 24. A crow hunt was scheduled for February 2 and a "smoker" was scheduled for February 8. A recommendation was made that beer be raised to 5 cents and 10 cents for booze. David Sears announced on January 21st that there would be a Dinner Meeting on every Monday meeting for the year and application for a county Bingo license was made. A crow hunt was scheduled for February 2 and 3. A Valentine Dance was scheduled for February 16. Fishing and camping to start the first weekend in March. The Executive Board met on January 29th and a proposal was made to hire someone to clean the club house and maintain the grounds. A motion was made to no longer support the Wally Tabor Show. A motion also carried to pay off the remaining \$3,718.22 owed Charlie McCormick for the Spunky Creek land purchase. The February 5th Regular Meeting found 69 members in attendance. The rifle range schedule was introduced showing a muzzle Loader shoot on March 10 or 17, Muzzle Loading Spring Shoot on April 27 and 28, and the Spunky Creek First Annual Rendezvous muzzle loader event scheduled for June 7th with a family camp out and dance with free beer. Shuetzenfest was scheduled for July 13 and 14 with a dance on the 13th, Single Shot match on August 17 or 24, muzzle loading fall shoot on October 5 and a deer sight-in on November 16 and 17. A fishing trip was planned for the first weekend in March at Carter's Landing on Tenkiller Lake. As the land was paid off, a mortgage burning ceremony was scheduled for the next meeting. At the February 18th Regular Meeting, it was reported that the "smoker" netted \$8 and the Valentine Dance netted \$10. The Bingo License was obtained and Bingo was scheduled for the second and fourth Friday of each month. The annual archery pheasant hunt was scheduled for the last 2 weeks of March. Pat Tomer and Charles McCormick burned the club site mortgage. The Club also quit financing membership costs for new members. At the March 5th Regular Meeting a fishing trip to Blue Creek on Lake Oologah was scheduled for April. The gun-show netted \$530 and another "smoker" was scheduled for March 29th. Cost was \$2 at the door with free beer. At the March 18th meeting a skeet match was announced with Sand Springs for the 2nd weekend in May. This blossomed into a yearly match at each club with the trophy being passed back and forth. Skeet shooting was a regular event on Wednesday evenings and Sunday afternoons. An Easter egg hunt was scheduled for April 14. A gun safety program was scheduled for May 3rd and 4th. Jack Ziegler was very instrumental in rifle shooting and at the April 15th Regular Meeting a squirrel hunt and camping party was scheduled for May 18 and 19 between the two Spavinaw Lakes. At the Executive Board Meeting on May 2, it was established that the bar will not be open until meeting intermissions beginning May 20 until the end of the year. That one was defeated in a member vote and the bar continued to be open before, during and after the meetings. At the May 7 Regular Meeting Jack Ziegler announced small bore shooting every other Wednesday evening. At the May 20, 1974, Regular Meeting, a hunter safety program was scheduled for September 27 and 28. At the June 17 Regular Meeting a work party was scheduled for June 24 and 25. This was common before grounds keeping services were obtained. At the June 17, 1974, Regular Meeting shotgunners were reminded of the June 23rd
