2025 DUES COLLECTION IS UNDER WAY, DUES ARE \$185

Dues collection has begun and to date, over half of the dues are in. 522 to be exact. The response has been very good. Please consider getting your dues in now before the penalty phase deadline. That extra \$75 kicks it up to \$260. That's a chunk of change that should be avoided. If you lost your dues notice or need a replacement, download one from the website, just go to the First Shot. It is important to make any changes to your mailing address, telephone number, email, etc. before membership cards are sent out. You may use the form on the back of the Target, download from the website or by just sending an email to member-services. It is the Member's responsibility to keep their contact information current with the club.

2025 Dues are collected from September 1st through October 15th without penalty, dues collected from October 16th through December 31st will incur a \$75 penalty. Any Membership with unpaid dues at midnight on December 31st will revert back to the club inventory January 1st, 2025 to be sold. Remember that our 2025 dues were increased to \$185 in August 2024 by the members.

Per the Bylaws, failure to receive a dues notice does not excuse the member from paying dues on time. If you have not received a dues notice by the 2nd week of September you should email Membership Services to request a replacement. You may also download a blank dues notice from the "First Shot" on the club website. When you write your check please be sure to include your membership number and note 2025 dues on the memo line. You may either mail your dues to the club P.O Box or place in the drop box in the Main Club House. If you deposit your dues in the Main Club House please notify member services by email. memberservices@ocrgc.com

Members can track the dues collection progress on the club website as it will be updated on a regular basis with Member Numbers of Paid and Unpaid status. The page is now active.

Call for Resume's for 2025 Directors

The nominating committee is asking for resumes for the class of 2025 directors. If you are interested in becoming a director for the club, now is the time to prepare your resume. Resumes must not exceed 150 words and must be turned in by the date of the dinner meeting in October to be considered. Your document must be compatible with Microsoft Word format and you must include a photo of yourself in .jpg format sized to 2"x2" (passport size). Email your resume and photo to Jack Killingsworth and member-services@ocrgc.com

Dinner Meetings

Dinner meetings are held on the 3rd Monday of each month. We meet at the Main Clubhouse at 7 PM to enjoy the night's meal and each other's company. Members and guests are welcome at the meeting. At the meal's conclusion, current Club happenings are shared. Current meal price is \$8; please bring exact change.

The month's meal menu is announced via a BCC email, to those who sign up for the list. In the event it's necessary to cancel the month's dinner, the same list is utilized for the BCC email cancel notice. Please send email to jack38@windstream.net to get on the dinner meeting list.

We have a voluntary (but recommended) RSVP program. The purpose is to help us better plan for the number of the crowd coming to dinner. We'd like to serve all full portions of the meal. If you think you are coming to a given dinner, respond with your name (and number in your party) to jack38@windstream.net by NO LATER than the Sunday at 7 PM prior to the dinner on Monday (7 PM). That timely 24 hr. minimum response puts you in the First Call to join the serving line. Those not on the First Call list automatically go to the Second Call list to join the line. They will be called just a few minutes later. A complete plate of food is not promised for all of those on the Second Call list. Some entrées must be sourced more than 24 hrs out; the same entrée cannot be promised, if more must be secured on short timing.

Those that bring a desert are much appreciated; not required but certainly enjoyed by all!

Do you remember when?
History of Oil Capital Rod and Gun Club
The Early Years

Recently we examined that on April 10, 1961, the club was officially incorporated as Oil Capital Rod and Gun Club Inc. In the beginning of 1963, the Club was meeting in a space provided by Charles McCormick at the Sportsman Auditorium in Utica Square, Tulsa, under the leadership of President Andy Perkins. The bus, the Club's biggest asset, was being used regularly for fishing trips, hunting trips and ball games. The bus was having major repairs and renovations that year. Bingo-chili suppers were conducted regularly as well as dinners and dances for members. At the February 5, 1963, Member Meeting Joe Grisham, Chairman of the Land and Facilities Committee, called for the five-member committee to meet on February 8, 1963, to consider "what might be logical for the Club to consider." At that meeting, the committee formed two objectives: 1) locate a small piece of land to buy or lease, for the purposes of trap, rifle and pistol shooting, and 2) buy or lease land on Oologah or Keystone Lake and develop it to sell to members. It was noted that the Public Service Company of Oklahoma may have land for sale at Oologah Lake. It was at the March 11, 1963, Executive Committee Meeting Charles McCormick "dropped the bombshell" that he was purchasing a 15-acre tract of land for \$300 per acre between Highway 66 and the Will Rogers Turnpike and that he would give the Club a lease to own option on the property. At the Executive Committee Meeting on March 11, 1963, Joe Grisham and Andy Perkins presented a proposal for purchasing tracts of land on Oologah Lake and developing a boat dock, picnic area, campground etc., and selling lots of the development to members. At the March 21, 1963, Land Committee Meeting the McCormick land deal was discussed. A lease-to-purchase option discussed was a lease of \$1 per year for ten years, then purchase for \$600 per acre. The Club was to make \$600 in improvements to the property annually throughout the lease. Purchase terms would be 25% down with the remaining balance over five years at six percent interest. A study by the Land and Facilities Committee estimated it would cost \$21,010 over fifteen years to purchase and improve the land. The expenses were listed as: land purchase - \$9,000, rifle range - \$300, skeet range - \$350, 30' x 60' clubhouse - \$7,200, picnic area - \$100, water - \$650, archery range - \$160, lake - \$1,000, insurance (10 years) - \$1,120, land clearance - \$120, land maintenance - \$50, bridge - \$100, electricity (10 years) - \$400, road culverts - \$60, fencing - \$300 and miscellaneous - \$100. Also discussed at that meeting was a 500-acre hunting area arranged by R. C. Groffman through the Public Service Company of Oklahoma.

At the Executive Committee Meeting of May 3, 1963, Charles McCormick put forth 2 proposals: A) a yearly lease on 28 acres at \$25 per month or \$300 annually with option to purchase the South 15 acres at \$600 per acre within 3 years. Charles would complete the lake and build fences, gates, road and toilets. B) lease 14 acres at \$25 per month for 10 years and then purchase the acreage for \$600 per acre. This plan would require the Club to improve the land by \$6,000 over the course of the lease. The Executive Committee unanimously voted for Plan A. The members were informed of the plan at the May 7, 1963, Member Meeting and a vote was scheduled for May 20, 1963. There were also proposals to raise the \$2.50 initiation fee as part of the Land Development Program and to restrict membership to 200. At the May 20, 1963, Member Meeting, the vote was 55 for and 17 against the McCormick land deal. The increased

Continued from page 71

initiation fee of \$25 and limitation to 200 members also passed. By the June 4, 1963, member Meeting, quail had been released on the 500 acres of hunting land in Osage County provided by the Public Service Company of Oklahoma. The lake was completed on the McCormick property. At the June 10, 1963, Executive Committee Meeting the committee "voted unanimously to authorize the president and the secretary to sign the lease and a check for \$301 was made out and turned over to Charles McCormick with the understanding that the first year's lease started July 1, 1963. Bill Gaither donated 200 concrete blocks for projects. Electricity was now operational and Verl White was placed in charge of the Building and Planning Committee for Spunky Creek projects. By the July 2, 1963, Member Meeting, \$463.13 had been spent at Hughes Lumber Company for materials to build a 32' by 60' open shelter on the property. Bob Milliken, brother to member Lee Milliken, donated two trap machines that we transported from Ohio. The July 15, 1963, Member Meeting was held at the open pavilion at Spunky Creek. Thanks went out to Jim Smith for donating wiring, the Pitcocks of Ajax Electric Company for electrical fixtures, Adrian Lee and Charlie Parker for wiring and Bryan Shepherd donated 4 x 4 lumber to construct skeet houses. A Club member picnic was set for August 25, 1963. They discussed plans such as a concrete floor for the pavilion, a swinging bridge and a protected camping area.

It is interesting to note that at the August 6, 1963, Member Meeting, the age of a prospective member was raised from 18 to 21 unless the youth was the son of a member or was sponsored by a member. By the August 23, 1963, member Meeting the archery set-up was almost complete and the skeet houses were complete. Work was beginning on the rifle/pistol range. By the September 16, 1963, Member Meeting, the Club moved meetings from the Sportsman Auditorium in Utica Square to the Public Service Company Operational Center at 15th and Fulton to ac-

Yes, It's time to VOTE again.

Around this time each year, club members are asked to elect 3 members of our nine-member Board of Directors. Doing the math, which equates to a 3-year commitment to the successful operation of our \$1.4+ million club.

Watch for the resumes and photos in the November TARGET of those candidates who have accepted a nomination. On-line voting will begin at the close of the November 11 Board meeting, and will remain open till 7pm, Monday, December 9.

Since Covid, and the move to on-line balloting, our member participation in ballot questions has been somewhat less than previous years. Some might say it's because we've requested more decisions requiring a member vote. We certainly offer adequate time to respond as the ballots are open almost an entire month.

So please take a moment to vote your choice in club matters. And should you know a member who is not internet active, reach out and give 'em a hand to cast a ballot.

5-stand ...

You may recall an article here in the Corner a couple of months ago asking, "anyone up for a bit of 5-stand?". A small response from that request did get us into some serious planning, relocating and testing the machines owned by Harvey Holden. A couple of club members pledged some financial support should the program gain traction. One of those included wireless controls for the venue.

This past week, we were notified that Harvey has made arrangements for his equipment to be transferred to a club near Mena, Arkansas. This will be a great opportunity for them to jump-start and enjoy their own 5-stand experience. And a tip of the hat to Randy Roberts and Ken Nelson for assisting the Mena crew with loading of the equipment.

So, what next? We'd still like to hear from some potential 5-stand shooters. In extrapolating some financial history from the years that 5-stand was active, in excess of ½ million targets were thrown on the venue. I wonder if of our 825 members, there might be a few ready to meet the challenge again.

305th Gate

You might not recognize the guy in the half-way space suit, it's Kent, our contractor who spent a couple of days sandblasting the 190' of 3-rail pipe fence at the 305th gate in preparation for a new coat of paint.

The next two days our artist in residence, Stan Lance, and his faithful apprentice, Brad Cheffey, went to town armed with nothing but painter's mitts and brought the pipe fencing and gate back to life. Be sure to have your sunglasses on when you pass the 305th gate. It looks great, guys. Thanks for your service to the club.

Even Gators need new shoes

Our Gator, which services the needs of many of our matches and activities at the pistol and rifle ranges, has not put mega miles on the tires. However, the tires have been suffering from an extreme case of "old". It all came to a head this past month.

Have you ever tried to find six of those tires at your friendly, neighborhood tire store. After a bit of research, and a bunch of miles on his truck, Jack Ostendorf hauled the failing tires and wheels to Muskogee for a new set. Thanks, Jack, for getting us back in service.

Oil Capital Member Donations Help Make Christmas Special

Christmas Basket donations from Oil Capital Members resulted in 65 families receiving \$65 Reasor's Foods gift cards.

OCRGC Director Bob Williams said three cards were distributed to families chosen by Oil Capital members. The other 62 were selected by the Coweta Chapter of the Disabled America Veterans.

Reasor's gave the club a discount on the gift cards which enabled more cards to be purchased.

The small note shown here was attached to the cards when the DAV distributed them.

For many years we purchased food and organized a date to stock giveaway tubs with everything needed for a good Christmas family dinner. As a result of the pandemic, we started giving away gift cards instead. The feed back on the cards has been very positive and we plan to continue using the cards

OCRGC is proud to help some of our member families and needy veterans and their families..

While most of the donations come to the club as part of the dues process, we welcome donations for this worthy cause at any time, Any donations marked for the program that are dropped into any of the club drop boxes will be included with the donations from dues payments

Thank-you for you participation. Gary Kruse 2024 Treasurer

Happy Holidays!

It is with great please that we are able to help our neighbors in need during this holiday season. Please accept this Reasor's gift card to help make your Christmas a little more "merry and bright" as you gather for your holiday celebration.

May God continue to Bless you and Light your way when at times it seems a little dark from your friends at Oil Capital Rod & Gun Club in cooperation with Reasor's Foods – Broken Arrow

BUILDING CLEANING CONSIDERATIONS

Our building cleaning contractor is striving to upgrade their performance. Yes, they do windows and dust/wipe surfaces as well as tend to cobwebs. We need to do our part to keep furniture from blocking these so they can do their job. Likewise we need to keep objects from the top of refrigerators as well as limiting clutter.

POLICY CONCERNING MEMBER OWNED MEMBERSHIP SALES

The club issued gate proximity card belongs to the club and must be returned upon the sale or transfer of your membership. The board of directors revised the policy on transfer fees to include the replacement of non-returned gate proximity cards.

The transfer fee on regular membership transfers either sold by the club or by the member will increase to \$140 if the proximity gate card is not returned to Membership Clearinghouse along with the current year membership card. If the proximity gate and membership card is returned the transfer fee will remain at the current \$100.

Board of Directors

Volunteers Needed

The Club can always use extra help on projects. If you have special skills or equipment that would be helpful, let us know what you can provide and what skills you have. We operate on mostly volunteer labor and we mostly never turn down extra or needed help. Contact memberservices and you will be added to the list of persons to call. memberservices@ocrgc.com

COMPETITIVE EVENTS AT OIL CAPITAL

PRACTICAL DEFENSIVE RIFLE

We invite you to attend the monthly Practical Defensive Rifle Match at Oil Capitol Rod & Gun Club. Match fee is \$10 members and \$15 guests; cash or check only. The match is held the last Saturday of every month, year 'round. Sign-in commences at 0930 in the Pistol Pavilion Building. Safety meeting at 1000. Please see Rules PDF on Events tab web page. If you want on the BCC notification list, please send an email to jack38@windstream.net.

The Defensive Practical Rifle Match is a shooting sport that uses practical rifles/carbines and equipment suitable for real world use, including full charge service ammunition, to solve simulated real world self-defense scenarios. While primarily a rifle/carbine event, pistols also sometimes used in a stage with them. Gun transitions are designed to be within the competitor's individual capabilities.

We shoot the scheduled match unless it is cancelled by conditions extreme enough to be unsafe. Activity participants will be updated by email.

Pre-registration is done on Practiscore; see "how to" at website events tab page. If you don't do well with Practiscore, come on to the match regardless. Scoring on the bays is via electronic tablets.

BR-50 .22 Caliber Bench Rest

We shoot a four target match the second Saturday of the month April through November. Factory produced .22 rifles are required with limited modifications. More details are available upon request. The match fee is \$10.00. The gate will be open by 7:00 and we start shooting at 9:00. Any changes to the schedule will be sent via email. Please send a message to OC-BR50@cox.net to join the email list.

We held our first match of 2024 on April 13 using the new Eley X-Shot target. It was a nice and warm with a stiff wind for most of the day. Congratulations to Dustin Allen for his win today! The top five scores are shown below. Details of the match are in the attached spreadsheet.

1. Dustin Allen – 989-47X
2. Richard Gorham – 988-43X
3. Jim Morehead – 987-44X
4. Bob Cleveland – 979-43X
5. Don Leslie – 964-44X

Everyone seemed to enjoy shooting the new target, so we'll use it again next month. Many thanks to the people who attended the match. I hope to see you and others next month.

INDOOR AIR GUN

We have about 12 to 18 shooters each Thursday evening. The targets are NRA air gun-sized metal silhouettes made to be shot outdoors, at up to 45 yards. We shoot them indoors at 11 yards. Practice is from 4 PM until 6 PM. We shoot pistols first and then rifles, going home by 8 PM. Most people will let you try their air guns, so you can see what it's like to shoot a modern air gun.

COWBOY ACTION SHOOTING

Tator Hill Regulators shoot two times (most months). 3rd Sunday, we shoot regular Cowboy SASS rules, lead bullets only. You'll need 2 revolvers a lever or pump action rifle in pistol caliber and a shotgun, SxS or pump.

In months where we have a 5th Sunday we shoot rimfire .22. Rifles must be lever or pump action. Pistols can be any semi auto or revolver. If shooting a semi auto bring 2—3 magazines and if your shooting a revolver bring 2 of 'em. Shotguns can be side by side, pump action or auto loader, 20,16 or 12 ga. Shells must be lead 7 1/2, 8 or 9 shot.

You won't need holsters for the rimfire shoots, all the guns can be staged or holster optional.

Restrictions: NO OPTICS—NO TACTICAL These matches are great for beginners or those who want to shoot friendly competition without any pressure. Our goal is to have fun and enjoy shooting with some really nice folks.
