2022 REGULAR DUES COLLECTION HAS ENDED AND WE ARE IN THE MIDDLE OF THE PENALTY PHASE. TIME IS RUNNING OUT!! GITTER' DONE!! DUES ARE NOW \$225 WITH THE \$75 LATE FEE

Regular dues collection has ended. If you procrastinated you are paying more. The membership voted to increase dues \$25 in July and the board raised the late fee to \$75 in March making the total for late dues \$225. The closing date to receive your membership card in the first mailing was November 10th. Closing date for the 2nd mailing is November 20th. The membership card mailing schedule is posted elsewhere in this newsletter. If you do not have your original dues notice, contact member services for a replacement or you can download from the clubs website. It is important to make any changes now to your mailing address, telephone number, email, etc. before membership cards are sent out. You may use the form on the back of the Target, download from the website or by just sending an email to memberservices. It is the Member's responsibility to keep their contact information current with the club.

2022 Dues are collected from September 1st through October 31st without penalty, dues collected from November 1st through December 31st will incur a \$75 penalty. Any Membership with unpaid dues at midnight on December 31st will revert back to the club inventory January 1st, 2022 and will be sold. **Remember that our 2022 dues were increased to \$150 in July by the members. The late fee was also increased by the board in March to \$75 raising the late dues to \$225.**

Per the Bylaws, failure to receive a dues notice does not excuse the member from paying dues on time. If you have not received a dues notice by the 2nd week of September you should email Membership Services to request a replacement. You may also download a blank dues notice from the "First Shot" on the club website. When you write your check please be sure to include your membership number and note 2022 dues on the memo line. 2022 ELECTION OF THE CLASS OF 2022 DIRECTORS

Time is running out. Voting is underway and the ballot closes at 7pm December 13th. So far voting turnout is very low with just a little over 115 ballots turned in. I'm sure part of the low turnout has to do with members not viewing the website since it went back online. Web data show the number of "never" logged in at around 250 out of 746. If you haven't visited the website yet please do so. See candidates resumes are on the next page. Voting is conducted by SurveyMonkey. It's fast, easy and can be completed in under a minute. Access to the ballot is from the website under the **"Ballot - Vote!!!"** tab, from there you will just click the **VOTE** banner to be taken to the ballot.

CANDIDATES FOR THE CLASS OF 2022 DIRECTORS

Brad Cheffey - My name is Brad Cheffey and I currently serve as Board Secretary. My wife and I are life-long residents of Broken Arrow and we enjoy pistol, bench-rest rifle and skeet shooting. I obtained a Bachelor's Degree from O.S.U. in Political Science and a Master's Degree in Human Relations from the University of Oklahoma. I was a CLEET certified peace officer from 1988 until 1994 when I became a United States Probation Officer. I was a supervisor in the Court's supervision unit for over half of my career and have extensive experience with law, guidelines and policy. I have served on the Street School Inc. Board where I focused on policy revision and certification for the mental health and substance abuse programs. I have volunteered at O.C.R.&G.C. over the last five years on the maintenance crew. Please consider me for a Board of Directors term.

Alan Hart - I would like to join the Board of Director's to assist in the management of the club. I have previously served the club as Treasurer for two years, prior to the formation of the current Board structure. I have been a member for more than 30 years and was instrumental in running the Single Shot matches over the past twenty plus years. I helped install the target frames at the 100 and 200 yard range when we first moved to this location, removed the old concrete benches and installed the benches we have today as well as helping to enclose the R/P building and extend the pavilion. I enjoy shooting skeet and trap, but clearly need more practice. I would like to help formulate a plan to address maintenance of the buildings and equipment, establishing some sort of schedule to see that we are more proactive and less reactive.

David Woodral - I would like to offer my continued services as a member of the Board of Oil Capital Rod and Gun Club. I have been honored to serve this past six years and I am proud of what the club has accomplished. As a competitive shooter and big game hunter, I am keenly aware that we need to continue to fight to preserve our heritage. I think no club in Oklahoma enables us to do this better than Oil Capital. I am a Lifetime NRA member and hold a Master rating in NRA High Power. When I am not hunting or shooting I work as an attorney in Tulsa.

Larry Bahler - Eagle Scout Adult Scouting volunteer: Cub master, Scoutmaster, District Chair, Council Training Chair, Wood Badge Course Director Shooting Sports Section Director-BSA National Camping Schools, 2001-12 Faculty-BSA Philmont National Training Center, 2006-19 Staff for 8 BSA National Jamborees Member of the BSA National Shooting Sports Task-force Education: Oklahoma State University, BS Industrial Engineering Professional: Retired, Materials Superintendent, Ford Motor Co., Tulsa Glass Plant I believe the future of shooting sports lies in our willingness to share our knowledge, skill, attitude, and enthusiasm with our youth. Bring a young person to the range!

New Wobble Trap Venue Now Open

After multiple long work-days, Oil Capital volunteers completed the Wobble Trap deck this past weekend, adding the roof system to the structure. Members who are currently involved in Scouting or have previously given service to Scouting were recruited for this task. Our Crew included: Drew Martins, F. Joe Hart, Jr., Joe Hart III, Pete Garcia, Martin Cranke, Mark Combs, Bob Williams, Penny & Brad Cheffey, Michael Mansur, Nathan Miller, Glen Fowler, and Mike Booth.

The ramp system on the east side is still under construction, but access to the deck via the west stairs is available.

Two Atlas AT-250 Traps are centered below the shooters, powered by 12v batteries that are on solar chargers. *LongRange* wireless release systems control the target presentations which include singles, report pair, and true pair. The venue will accommodate multiple shooters.

Come on out and give it a try ... A short Orientation Session, followed by an Open Shoot (25 shots, your ammo) will be offered as follows:

Thursday, December 2, 3pm or 4pm

Saturday, December 4, 12pm, 1pm, 2pm or 3pm

Sunday, December 5, 1pm or 2pm

It is expected that the target fees for the venue will remain the same as current club rates for other shotgun venues. Payment may be made at the Trap Palace, or Skeet 5 low house.

Do you remember when?

In 1984, under the Presidency of Jack Ostendorff, the Club moved from the 30-acre facility near Catoosa, known as the Spunky Creek location, to the current 160-acre site located 4.5 miles north of Coweta, Oklahoma, situated to the North and East of 305th Street East and 101st Street South. A list of items to be kept from Spunky Creek and moved to the new location included tables and chairs, animal mounts, the white target building, the hay wagon, stove, windmill, picnic benches, archery range equipment, traps, skeet lighting, bun warmer, pop machine, water fountain and entrance sign. At a June 10, 1984, Special Executive Meeting it was disclosed that there was a \$150,000 offer on the Spunky Creek location from prospective buyer Allison Sales and Service of Catoosa, Oklahoma, who offered to put \$50,000 down with the Club to carry the note for the balance of 10 years at 10% interest. The Club counter offered for \$175,000 with \$50,000 down with the Club to carry the balance for 10 years at 12 1/2% interest or \$150,000 cash. The buyer rejected the offer and at the Dinner Meeting of June 18, a vote of 86-1 carried the sale of Spunky Creek for the original offer. Phil Hart provided an overview of the Club's financial status to the members which showed the sale would generate \$50,000 of immediate income less sales commission for a \$44,750 net profit to Club. New memberships sold generated \$15,000. With \$59,000 in the Club bank account, the Club would have \$118,750. Subtracting \$53,000 for dirt work, the net working capital left was \$65,750. With \$1,321.50 interest income on the \$100,000 note on the Spunky Creek site and the \$723 per month savings on operating costs at Spunky Creek, the Club gained an income of \$2,044.50 per month. As member Wayne Forrest located the buyer, he received a \$1,000 finder's fee. Although closing date was August 18, 1984, the last Dinner Meeting at the Spunky Creek location was held on August 20, 1984, and consisted of country ribs, baked beans and coleslaw. The last use of the Club for shooting single projectile was on September 19, 1984, and the last shotgun use was on August 23, 1984.

BUILDING CLEANING CONSIDERATIONS

Our building cleaning contractor is striving to upgrade their performance. Yes, they do windows and dust/wipe surfaces as well as tend to cobwebs. We need to do our part to keep furniture from blocking these so they can do their job. Likewise we need to keep objects from the top of refrigerators as well as limiting clutter.
