ABOUT OIL CAPITAL

“SAFETY IS EVERYBODY’S BUSINESS”

About Oil Capital

- Oil Capital was organized in the 1950s by a group from Douglas Aircraft and originally located in Catoosa.
- The club was later incorporated and the name changed to Oil Capital Rod & Gun Club.
- We were forced to move from Catoosa in 1983 due to building development encroaching on our ranges.

About Oil Capital

- We are a 501 C7 Non-Profit Organization.
- Donations, Monies, Services, Tangible Gifts Etc. are not tax deductible.
- Club Bylaws mandate a Cap of 800 Members.
- The Board of Directors consists of 9 Members and meet on the 2nd Monday of each month at the Main Club House.
- Board meetings; with exception of an “Executive Session” are open to club members.
- Dinner meetings are held at the Main Club House on the 3rd Monday of each month.

ASSUMPTION OF RISK

Assumption of Risk

- While using the range facilities you are engaging in an activity that can result in severe injury or death.
- The possibility exists of being struck by bounce back or splatter from your own actions or from another shooters actions.
- Responsibility lies with the member for himself and his guests actions, you may be liable in the event of an accident that results in injury.
- The Club is not responsible for accidents or injury as a result of member/guests action.
- Use of the Club's ranges is at your own risk. *Read and understand the Range Rules.*

Catastrophic Failure

Occurred at another club – Minor injuries, Failure was a possible reload issue

YOUR CLUB AND HOW TO ENJOY IT

Your Club and How to Enjoy It

- It's your Club. Take the time to learn how to get the most of it.

- Badges must be worn while on Club Property
- You may be asked to show your badge.
- If don't have your badge you may be asked for a photo ID and your member number by other members or members of the Club site Security Committee

MAIN CLUB HOUSE

Main Club House

- This is where we have our meetings twice each month. Check *The Target* for meeting dates and times.
- Members are encouraged to attend the meetings, including Business meetings (except for rare closed Board of Directors meetings in which disciplinary problems are discussed).
- The lock on the Main Clubhouse door is an electronic lock. Key in the Building code found on the back of your Member Card.
- Members may reserve the Clubhouse or other club buildings for private parties as long as it doesn't conflict with another Club event.
- (Advise the Board of Directors well in advance to reserve the Clubhouse)

VEHICLES

SPEED

PARKING & EXCEPTIONS

Vehicles on Club Grounds

DON'T SPEED!

Vehicles on Club Grounds

- Speed limit on club roads is 15mph except in the Rifle/Pistol and Skeet/Trap areas, where the speed limit is 5mph.
- Excess speed sprays gravel, causing potholes and other road damage, it also creates dust which is an annoyance to other members.
- During periods of heavy rain, water may cover the road east of McCormick Lake, use caution when water covers the road.
- Vehicles, including dirt bikes, 4 wheelers, etc., are not permitted off graveled surfaces.

Vehicles on Club Grounds

Exception to Off Road Rules

- Vehicles may be driven to the 200-yard target line when the ground is dry, following the established road along the East edge of the rifle range; watch out for the low spot at the 100 yard berm. (If you get stuck, call a truck with a long cable. *If you make a rut, fix it.*)
- Parking is permitted on the grass at McCormick Lake picnic area when the ground is dry.

Lake McCormick Parking & Picnic Area

Vehicles on Club Grounds

Exception to Off Road Rules

- Vehicles used in grounds maintenance or other work parties are not restricted to roads.
- Physically challenged persons may drive to the north side of Oil Capital Lake when the ground is dry.
- **Never drive on the top of the dam.**

Vehicles on Club Grounds

Exception to Off Road Rules

- Camper sites with electric hook-ups are not graveled; these may be used when the ground is dry.
- No discharge of gray water or brown water is permitted.
- Note: A number of RV sites are accessible from gravel surfaces if you bring a suitable power cord.
- Several 20A outlets are on the north side of the grounds maintenance barn.

OCR&GC

OCRGC WEBSITE

- The club website is for members only but does contain an area for the public.
- New member accounts are created by the webmaster, user log in name and password is part of the member packet.

GUEST PRIVILEGES

Guest Privileges

- As a member, you are welcome to bring as many guests as you can safely supervise.
- Want to bring a group for an outing?
- As a rule of thumb, one person can safely supervise up to 6 people; you may be unable to participate in your activity if your guests have limited or no firearms safety training.
- You are responsible for your guests safety.

Guest Privileges

- More than 6 guests? Get some help from other members.
- Many of our members have Range Safety Officer Training and would be more than willing to help with your outing.
- Plan ahead! The whole idea is to have fun and stay safe.

Guest Privileges

- Remember; You as the member are responsible for the actions of your guests.
- Guests are welcome as long as they abide by the rules of the club.
- Club Members are responsible for informing their guests of the rules and ensuring they follow them.

Guest Privileges

- Arrange a time window to meet your guests.
- Try to have all of your guests arrive onsite at the same time so you can meet them at the main gate.
- **Do not give out the gate combo.**
- If planning for a large group, put your event on the calendar in the main clubhouse and contact Member Services for an event code.
- The event code is only good for the day.

Guest Privileges

- Once your guests are all together, have a safety meeting.
- If your activity involves the firing ranges, make sure your guest have the appropriate safety equipment.
- Review the range rules for the ranges you will be using

Guest Privileges

- Stay with your guests!
- ***Do not let your guests wander off to other areas*** of the club where they are not supervised.
- All guests must be escorted.
- If your guests need access to the restroom facilities or want refreshments, you may give them building code.
- It is not necessary to escort your guest to the buildings unless your guest requires assistance.

Guest Privileges

- At the completion of your event, leave the facility as a group.
- If a guest must leave early and there isn't another Member in your group, you must escort your guest to the gate and enter your gate combo for them to exit.
- In these cases instruct your other guests that no gun handling is allowed without your presence.
- No guest is allowed to use the ranges unsupervised.

Guest Privileges

- Lastly, clean up after yourself and your guests. If you have a cook out, put all of your trash in the appropriate outside containers.
- Do not use the indoor trash cans for food waste.
- Pick up your empty hulls if you are using the shot gun ranges.
- Place all paper targets in the trash can if you used the pistol or rifle ranges.
- **Do not leave shot up targets posted.**
- If you loaded skeet or trap houses, do not put the empty boxes in the trash cans.
- Put them in the burn pit on the east end of the skeet fields at skeet field #1.

Guests / Fishing

- It has been generally accepted that a guest may engage in fishing activities un-escorted.
- It is your responsibility to determine if your guest is able to be around a body of water un-assisted.

SAFETY

“Safety Is Everybody’s Business”

SAFETY VIOLATIONS

Handling firearms at the bench while others are down range.

- Inadequate eye or hearing protection
- Loading shotgun under the sun shelter
- Sweeping others with a loaded or unloaded firearm
- Raising barrels of rifle or pistols above the site line of the berms in preparation to fire
- Unsupervised guests
- Mis-use of the rifle range light system
- Reckless rapid fire
- #6 or larger shot on skeet fields
- Shooting slugs at the steel patterning board

SAFETY

- *Safety is Paramount at Oil Capital*
- ALWAYS ASSUME THAT ALL FIREARMS ARE LOADED
- NEVER POINT A GUN AT ANYTHING YOU ARE NOT WILLING TO DESTROY
- KEEP YOUR FINGER OFF THE TRIGGER UNTIL SIGHTS ARE ON THE TARGET
- ALWAYS MAKE SURE OF YOUR TARGET AND WHAT IS BEHIND IT

SAFETY

- Safety cannot be over emphasized.
- It must be the first consideration before engaging in a match, plinking or teaching someone to shoot.
- Have a safety talk or meeting with your guests or group before hand to make sure everyone understands the rules.

“Safety is Everybody’s Business”

- Learn and follow the range and lake rules. Remind others if they are violating rules or are engaged in an unsafe practice.
- Supervise your guests *carefully*. Don’t assume a guest is a competent gun handler.
- Teach safety as you introduce our sport to a new shooter.
- ***Even the most obvious safety rules are not obvious to someone who doesn’t know them.***

VANDALISM & TRESPASSING

Vandalism & Trespassers

- Report any form of vandalism to the Board of Directors as soon as possible.
- Director's phone numbers are listed in *The Target*.
- If you observe an incident or suspect a trespasser, notify the tenant "Pat Hauser" at the front gate.
- Note the time of day and details about the individual(s) and their vehicles.
- Get a tag number if possible.
- Check with fellow members to see if they observed anything.
- The Board of Directors may request a written report. Remember that this is your club and any damage caused by vandalism costs everyone.

OBEY ALL RULES

OCR&GC GENERAL RANGE RULES

- **1. Ranges are for the use by members and escorted guests ONLY.**
- **Members are responsible for the actions and close control of family and guests.**
- **2. No guns may be handled under the range cover, or in any up-range location, while anyone is down range.**
- **3. No person shall walk forward of the firing line to shoot unless all persons present on an individual range agree to allow this.**

OCR&GC GENERAL RANGE RULES

- **4. No cross shooting. Your bench must be in line with your target. Shoot only proper targets attached to the club's target holders.**
- **Bullets shall not hit the wooden target supports or target numbers. Bullets must impact the BERM below the horizontal midline, but ABOVE the toe of the BERM. Do not shoot glass, tin cans or trash.**
- **5. Coming to or from the firing line, guns are to be unloaded and completely clear of ammunition. Unless shooters on the line are firing, guns must be racked or the action open (i.e.; unloaded, magazine out) or as ordered by the Range Master during a sanctioned event.**

OCR&GC GENERAL RANGE RULES

- **6. Before going down range, call for a cease-fire, and verify this with every other shooter at the firing line,**
- **7. No full auto fire. The use of devices/means to produce simulated full auto fire is not permitted. Tracer, explosive, or incendiary ammunition or targets are prohibited.**

OCR&GC GENERAL RANGE RULES

- **8. When more than one member is on the range, those present appoint a Range Officer to give “commence fire” and “cease fire” commands. All members are always responsible for safe facility use and must take immediate action to stop an unsafe situation.**
- **9. No alcohol is permitted on the firing line. No one impaired by alcohol, drugs or medications is permitted to use the ranges.**
- **10. Always control your muzzle. Point your muzzle at the impact berm during loading, unloading, or when making adjustments or repairs.**

OCR&GC GENERAL RANGE RULES

- **11. Proper containers are required for powder, primers, and the like. Smoking under the range cover is not permitted in the presence of black powder or other flammables.**
- **12. Unsafe use of guns is never permitted. Members must correct any observed unsafe situation and must report damage/unsafe conditions to the appropriate chairman (see list of officers and chairmen inside the front cover of any Target.)**

OCR&GC GENERAL RANGE RULES

13. Clean up after yourself. Put all “Dud” ammunition and used targets in the trash can.

- **14. Use of properly fitting eye and ear protection is required for all persons on the firing line, beyond the signed points.**
- **15. Shooting hours: 30 minutes before official sunrise to 30 minutes after sundown. Shooting is also permitted until 10pm under adequate artificial lighting.**

OCR&GC GENERAL RANGE RULES

- **16. Event chairman controls the range during club-sanctioned events. The Chairman will try to accommodate casual members' use of ranges during events when possible.**
- **17. Report any form of vandalism or destruction of club owned property immediately to the board of directors. (see list of officers and chairmen inside the front cover of any Target.)**

OCR&GC GENERAL RANGE RULES

- **18. Steel targets must be of factory grade quality and must be reactive (i.e. move or fall when hit.) Steel targets that are excessively pitted or cupped may not be used. During casual practice, shooter must be at least 10 yards away from the nearest steel. Spectators must be at least 15 yards away from the nearest steel.**
- **19. Steel targets during practice are to be set within 1 yard of club target frames, except on Pistol Left & Right. Shooters and bystanders are at risk of being hit by lead fragments and bounce back when shooting metal targets. Do so at your own risk!**
- **20. Any firearm loaded with birdshot may not be fired at the club's whiteboard target holders at any time. Slugs or buckshot (size 0 or larger) may be fired at whiteboard target holders.**
